REMINDER: AHIP is not the only part of your Humana course work process. Once you have completed the AHIP exam, within the 3 allowed attempts, you will need to return to the course outline to complete the rest of the modules needed to complete your course work requirements.

Please note: If you are using a computer that someone previously used to complete their AHIP testing, at this time, please log off all current internet connections. Start a new internet connection and reconnect to the course. This will ensure that you will have a smooth log in process with the AHIP website, and your information does not get crossed with the previous user’s information.

NEW for 2015: AHIP now offers Fraud, Waste and Abuse (FWA) training and CMS General Compliance training along with their Medicare Training Course. The addition of these training programs offers you the convenience to complete the required training all in one place.

New Users - AHIP Registration:
If you have not created a profile with AHIP since June 2012, you will need to register as a new user, Instructions on how to complete the AHIP registration process and access the course begin on page 4.

Previous Users – AHIP Login Process
If you have created a profile with AHIP since June 2012, you do not need to register. You can login to the AHIP website using your National Producer Number (NPN) as your User Name and the password you created when you did register for the AHIP course. Instructions on how to log in to complete the login process and access the AHIP course begin on page 9.

Previously taken AHIP with another carrier
If you have previously taken and successfully passed the 2015 AHIP exam through a carrier other than Humana, you do not need to register. You will only need to log in to AHIP using your National Producer Number (NPN) as your User Name and the Password you created for the AHIP site. You will not have to take the AHIP test again. You will only need to pass you score back to Humana. So, once you are logged into to AHIP’s site, go to page 25 of this document to pass your score back to Humana.
AHIP Registration Process

To begin the registration process, scroll down the page and click the **Create a New Account** button.

Welcome to Humana's AHIP Medicare Training Portal!

**First Time Users** - During the registration process you will be asked to provide your 7-digit SAN (Solar Agent Number). This is not the same assignment as your National Producer Number (NPN). If you do not know your SAN, please contact a member of Humana’s Agent Support at 800-309-3163.

**Leave and Come Back** - After your registration process, you can leave the course and return to it at a later time. The system will mark your place. If you do leave and come back at a later time, you do **NOT** need to register. You only need to enter your NPN and password combination you created during registration to re-access your training.

**Already took AHIP with another Carrier** - If you took the AHIP exam with another carrier, you will still need to register for Humana's Training Portal. Upon doing so, a link to AHIP's training will be provided and the system will match your records from the previous carrier. Upon entry into AHIP's course you will then be able to see your previous course completions on the landing page. An option to "Send Your Results to Humana" will be available at the top and bottom of the page.
