Commission Chargebacks

Withdrawals, including Required Minimum Distributions, are subject to commission chargeback, regardless of whether withdrawal charges are incurred. A commission chargeback will be applied as provided below:

If the Owner dies or if the contract has a partial or total withdrawal, within one year following the issue date, there will be a chargeback against commissions paid. The chargeback is 100% for months 1 through 12.

Any rescission, regardless of contract year, will result in 100% commission chargeback. A commission chargeback will not apply for the election of the Guaranteed Lifetime Income Benefit.

Termination of the Agreement shall not terminate FLIC’s right to chargeback commissions.

Commission Hold Procedure

Delivery Receipts are required in all cases. When the initial premium for an annuity contract generates a commission greater than \$15,000, the portion of the commission that exceeds \$15,000 will be released thirty (30) days after the Batesville Administrative Office receives the signed Delivery Receipt.

No commission shall be paid on the sale of a contract which involves the total or partial replacement of a contract issued by FLIC or any of its affiliates.
